

Oakham Neighbourhood Plan - Press release for 7th April

Your Voice, Your Choice, Your Neighbourhood Plan Invite - Saturday 9th April

Come and have your say at Victoria Hall, High Street, Oakham 10.30 -13.00 on Saturday 9th April. You'll have a chance to informally review what is good and not so good about where you live, chat to Steering Group members, see what the Plan can do, have your say and enjoy a complimentary tea or coffee.

Remember, your Neighbourhood Plan will become a statutory plan, and one of the documents used by Rutland County Council to make planning decisions.

Do not pass up the opportunity for your views and ideas to be heard.

Your Neighbourhood Plan needs you.

Successful development of the Plan will also need people with specific skills and a willingness to help. In particular the active involvement of residents, community leaders, representatives of local organisations, business owners, shop keepers and restaurant/coffee shop operators will be crucial.

If you think you can add your expertise and enthusiasm, come and talk to us on the day or contact us using the email address below.
