

Oakham Neighbourhood Plan Steering Group

Meeting the Public at Oakham Library, 15 September 2018, 10.00 -12.00.

Paul Dowse and Adam Lowe spoke to 3 ladies and 5 men

Issues raised

- **20 mph zone should be set for the high street, but no speed humps.**
- **Need infrastructure to support new houses**
- **When I moved into Oakham I could not get onto Oakham Medical Practice list had to go to Empingham.**
- **Build retirement village with adjacent facilities to support elderly at various stages of fitness and mobility.**
- **Concerns around new housing on Uppingham Road.**
- **Protection for public footpaths that cross land earmarked for new housing development.**
- **Brooke road crossing is dangerous. Traffic congestion when crossing closes. Use of yellow chequered boxes at junctions. Parking issues at crossings.**
- **All new house should have solar panels.**
- **If it (the high street) ain't broke don't fix it.**
- **Oakham needs new big employers.**
